The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I AM sick of big business and government stilling. Northern Cal. fresh water  
And sending it South. So East bay water  
district can RAISE the RATES for contaminated  
water. for public use. Forcing the city  
and towns on the river to buy thier water  
so they can send more south. Stop  
them PLEASE.
